What is the Escape Zone?

The JBLM-McChord Field Escape Zone is a parent and child program designed to develop and enhance the personal Readiness and Resiliency of JBLM Families.

The free program offers parents and their children ages newborn to 5 yrs. a chance to participate in learning activities and socialize with other military Families and children.

The play place has age appropriate indoor and outdoor toys. During inclement weather we play inside in our two rooms stocked with fun toys. On sunny days we go outside and play on safe, child-sized playground equipment. We even have a fenced in yard where children can practice bike riding!
