SPRING 2021

# Let's go fish at American Lake

Starting Saturday, May 1, Russell Landing Marina is opening! It's the perfect place to ease the transition into the warmer seasons and enjoy the beautiful scenery that we have right here in JBLM's backyard!

American Lake has breathtaking views of Mount Rainier and peaceful waters, and Russell Landing Marina offers rentals and resources for whatever your recreating need.

Choose from sailboats, kayaks, motor boats, pontoons, stand-up paddleboards or even jet skis.

Now's the time to renew or get your Washington fishing licenses. Northwest Adventure Center can sell you fishing licenses and/or endorsements offered by Washington State Department of Fish and Wildlife, as can the marina when it opens.

Both locations also sell poles, bait and tackle. Get equipped for fishing, then walk the few steps down to the lake, known to house trout, kokanee, bass and panfish.

At around 1,100 acres of lake water, fish enthusiasts can still find calm and serene waters amid lake chaos as the weather gets warmer.

For more information, visit *JBLModr.com*. You also can contact the Northwest Adventure Center at 253-967-7744 to ask about fishing gear and boat rentals or stop in and see for yourself.

After May 1, call Russell Landing Marina at 253-967-2510 for fishing or rental information.

The NAC is at 8050 NCO Beach Rd. at Lewis North. The marina is located at the end of American Lake Avenue at Lewis North.
