

LOOKING FOR CHILDCARE AT JBLM?

The current childcare focus at JBLM is to provide full-time childcare, with single Service members and dual military receiving priority placement. Our centers are nationally accredited, conveniently located and affordable. Unfortunately, space is limited. Fee assistance may be available to offset the cost of care at off-base centers.

Start by signing up on JBLM CYs waitlist at **MilitaryChildCare.com**

Military Families select their sponsor type and spouse status when creating a household profile on MilitaryChildCare.com. This information is used to create a military family type for the household, which is associated with a DOD priority. The system then uses the assigned DOD priority, along with the request for care date, to determine a sequence on the waitlist.

If your anticipated placement date is more than 45 days from your date care needed,
call 253-383-1735, Monday–Friday, 8:30 a.m.–4:30 p.m.

to speak with someone who will email a customized list of off-base care locations accepting fee assistance (also listing vacancies). Alternatively, scan code below to find off-base care locations accepting fee assistance.

ARMY FAMILY (including Army civilian employees)

Once you've confirmed a space for your child at an off-base center, print the statement of non-availability and bring it to Parent Central for signature, which will allow you to receive DoD Fee Assistance.

Please note, the statement of non-availability is only valid for 10 days.
