

UNIT/ORGANIZATIONAL FOOD EVENT APPLICATION (non-TCS FOOD)

Joint Base Lewis-McChord Department of Public Health

NOTE:

1. This form applies to:

Unit or organizational fundraising events that dispense non-Time/temperature Control for Safety (non-TCS) food (e.g. bake sale) to unit or organizational members or to the general public. Non-TCS food means a food that does not require refrigeration or heating to limit pathogenic microorganism growth or toxin formation.

2. For foods prepared in a home kitchen, post a sign which states "This food was produced in a home kitchen not subject to public health inspection." Ensure allergens are clearly indicated.

3. A person may not operate a food establishment or dispense food to the general public without an authorization to operate issued by the regulatory authority.
