

How to Register for Youth Swim Lessons

*Only Levels 2 and up require a **Swim Assessment** before enrolling online. The beginner levels (**Parent & Tot, Preschool, & Level 1**) can be enrolled into without one.*

If you need more information, or wish to schedule a Swim Assessment, please contact Aquatics at 253-967-5026 (Kimbro Pool), 253-967-5390 (Soldier's Field House Pool), or email us at usarmy.jblm.imcom.list.dfmwr-swim@army.mil

You MUST have a Recreation WebTrac Account (not CYSS). If you do not have a WebTrac account, please complete the following:

- Visit <https://webtrac.mwr.army.mil/webtrac/jblmrectrac.html> or type jblmmwrregistration.com into your address bar.
- This will take you to the WebTrac website where you can create an account.
- Select 'Need an Account'
- Please complete ALL fields including phone numbers, email, etc.
- If you get an error, you may have an account with the Gyms, Outdoor Recreation or the pools already and will need to contact us to set up a username and password.
- 'Add Family Members' (children to be enrolled in lessons) and complete ALL fields.
- After doing so, you will be able to search/enroll in available activities.

Instructions to enroll for Youth Swim Lessons via 'Recreation' WebTrac:

- To enroll, click the shopping cart to the left of the appropriate level of lessons with days and times that work best for you. Please keep in mind that ages 6 months-3 years are designated as Parent & Tot Aquatics, ages 4-5 are designated as 'Preschool A' and ages 6 and up are designated as 'Level 1' to 'Level 4'. However, 'Level 2', 'Level 3' and 'Level 4' can only be enrolled in if the child has passed the previous level or been evaluated higher than Level 1 with a Swim Assessment.
- Under the appropriate enrollee's name, select the box underneath 'Activities for Enrollment' and then select 'Add to Cart'.
- Read and 'OK' all youth swim lesson requirements. If you do not wish to abide by the requirements, you cannot enroll any children swim lessons.
- Read and 'Agree' to the Activity Waiver.
- Click 'Proceed to Checkout'. You will be prompted to enter debit/credit card information at this time and a receipt will be emailed to you, or you can print a copy.

Registration is offered to children in a three-session cycle with the first session being OPEN and the following two as ADVANCED.

- OPEN sessions will have all children removed from classes and need to re-register.
- ADVANCED sessions will prioritize the re-enrollment of children who had been in the previous session and have a payment deadline to maintain their spot.
- See Registration and Class dates on following pages for exact dates.

WEEKDAY REGISTRATION CYCLE: JANUARY - MARCH, APRIL - JUNE, JULY – September, & OCTOBER – DECEMBER

SATURDAY REGISTRATION CYCLE: JANUARY - JUNE & JULY - DECEMBER.

Tips & Tricks for New Students:

- We recommend helping your student succeed by making sure they come to class prepared to be active. Long hair should ideally be pulled back out of the face and swim attire should be well-fitting and suited for sports, with no strings or decoration that could come undone, get snagged, or distract the swimmer.
- The [SFH locker rooms](#) are located down the hallway near the aquatics office. **Children kindergarten age and older must use gender-appropriate locker rooms.** Co-ed family changing rooms are located out in the pool lobby.
- [Kimbrow pool](#) has family changing rooms, but no family showers. Locker rooms are marked and easily accessible from the deck. There is a deck shower available for quick rinses and one co-ed toilet available in the guard room. **Children kindergarten age and older must use gender-appropriate locker rooms.**
- If you have a student who is fearful or unsure around the water, be sure to visit the swimming pool outside of lessons. Experiencing the pool with family as a place for fun and leisure will be a big help for anxious first-time swimmers.
- Every child learns differently, and it is very common for children to repeat levels. Be patient with your student and encourage them to be patient with themselves. Practice makes perfect; if you're eager to make progress, please visit the pool outside of lessons in order to help your student practice what they've learned so far.
- The aquatics staff asks that you please review basic etiquette with your child prior to attending lessons, such as keeping one's hands to oneself and waiting one's turn for an

activity. Children that are unable to remember these rules in the water can create an unsafe environment for their fellow students.

WE LOOK FORWARD TO SEEING YOU IN THE WATER!
