**In our continuing effort to hamper the spread of COVID-19, effective Wednesday March 25, 2020, Madigan has further updated its visitation policy for the hospital and our outlying clinics:**

**Madigan is moving to a no visitor policy. There will be very few exceptions.** Patients, visitors and staff will be screened prior to entering the facility for any COVID-19 symptoms based on the Centers for Disease Control and Prevention (CDC) screening criteria. Inpatient visitation at the hospital will be restricted from 8:00a.m. - 7:00p.m., 7 days-a-week.

Staff will ask visitors to start packing up their items for exit around 6:30p.m., to ensure they can exit no later than 7:00p.m. through designated Madigan exits. Visitors should use the most direct routes when traveling to their destination and exiting the facility.

**Visitors under the age of 18 or over the age of 60 will not be permitted.**

**Limited entry points:** We want Madigan's patients to be aware, the following entrances are the only points of access to enter the facility at this time: The Main Hospital Tower entrance at the flag pole is accessible 7 days-a-week from 6:00a.m. – 7:00p.m., the Main Medical Mall entrance (near the Main Outpatient Pharmacy) is accessible Monday-Friday, 6:00a.m. – 7:00p.m., and the Southwest entrance is open 24/7. Please note, patients seeking emergency medical treatment in Madigan's Emergency room can still directly access our emergency room.

**MADIGAN ARMY MEDICAL CENTER**  
**COMMUNITY UPDATE**

### **Visitors:**

- Patients admitted to Labor and Delivery (L&D) may have one adult partner present throughout their stay until discharge. Patients needing to be seen in Labor and delivery triage are encouraged to call 253-968-1535 prior to arrival.
- The Neonatal Intensive Care Unit (NICU) will allow 1 parent in the unit once a day at this time.
- Pediatric patients under age 18 may have one parent or guardian at a time. Parents that need an exception to this policy must speak with their healthcare provider ahead of time to be escorted into the facility.
- Patients with disruptive behavior for whom a family member is key are limited to one visitor (5 North or Pediatrics/4 North).
- Visitors of patients who are at the end-of-life may be met at the door and escorted to the patient's room.
- Patients undergoing an emergency surgery or procedure, may have one visitor who must leave the hospital as soon as possible after the surgery/procedure.

### **Appointments:**

- Patients who have an appointment in an outpatient clinic, laboratory, or radiology needing physical or medical assistance may have one person assisting them to and from the appointment.

### **Emergency Room visitation:**

Visitors of patients in the Emergency Room must follow the guidance from the Emergency Room staff. Madigan's Provost Marshal's Office will be notified of anyone not following the rules for visitation.

**MADIGAN ARMY MEDICAL CENTER**  
**COMMUNITY UPDATE**

**To ensure our healthcare professionals are poised to support an increased need for acute patient care, our primary care clinics are shifting to providing primarily urgent and virtual (telephonic) access. As a result:**

- Madigan is delaying selected routine appointments such as well-child visits not requiring vaccines, well-woman exams, and annual/sport physicals.
- Any currently scheduled visits for these reasons will be canceled and then rescheduled once operations normalize. You will be contacted by phone if your appointment has been affected.
- Military medical readiness activities are being reviewed daily in conjunction with I Corps and those that are necessary will continue as scheduled.

- Changes to Maintenance
  - To comply with all state and federal orders to practice social distancing, Non-Emergency Work Orders inside homes are suspended for 30 days.
- District Offices & Community Centers Closed
  - Community Centers are closed during this pandemic and the District Offices are closed for Walk-In Traffic. However, we are operating with skeleton crews/teams to answer phones, return calls, and follow-up with our Families.
