DESCRIPTIONS

Adulting 101: ⑥

New to adulting? This program is for you! Each week's subject matter experts will present ways to help you with all aspects of being an adult—how to change a tire, winterize your car, rent an apartment or buy a house, finance a car and learn to cook basic meals.

Busy Babies Group: ⑥

Play and socialize using toys, messy crafts, sensory activities, board books and more; open to children ages 24 months and younger with their caregivers.

Nerd Night: ⑥

Join us and release your inner nerd for Chess, Dungeons and Dragons, Board Games, Pokemon, Magic the Gathering, and more! Feel free to bring your own decks, cards and collectable goodies to play or trade with others!

Kindergarten Bootcamp: ⑥

Join us for a morning of early learning designed to ready your child for kindergarten! This will be your favorite way to teach the expectations, routines and procedures of daily activities in kindergarten or any grade level.

NASA Day: ⑥

Set your eyes on the sky and join us for an out of this world NASA day! Make a telescope, moon rocks, mason jar constellation, help us build a solar system and more!

Potion Making: ⑥

Brew up some fun under the full moon. Come to Grandstaff, where potions bubble and your imagination can run wild. Make a potion to take home!

The Great Pumpkin Contest: ⑥

Oh My gourd! Squash your boredom by picking up a pumpkin from the Grandstaff Library during the month of October. Decorate it as your favorite literary character and then bring it back to help make the library pumpstastic! Pick them back up by the 30th to enjoy for the holiday!

Murder Mystery: ⑥

Who's ready for Dead on the Vine? Join us as we hunt a killer and solve a murder at a winery!

Yoga with PUI: ⑥

Come to Grandstaff Library and get stronger in both body and mind.

LEGO Club: ⑥

Calling all LEGO builders, come get creative! We'll provide the LEGOs and a new challenge—you bring your creativity and building skills! Build it, name it, sign it, then we'll display it for all to see until the next week!

Storytime: ⑥ ①

Weekly storytime open to children of all ages and their caregivers; enjoy stories, songs, dancing and crafts.

Junior Chef Cooking Class-Beginning & Advanced: ①

This is a cooking class where we explore baking and oven options without the use of an oven or stove to foster independence in the kitchen. Learn some fun facts about food, food safety and food history! Beginning class is ages 8–12 & advanced class is ages 13–17.

Little Wiggles & Words: ①

Storytime with music open to infants up to 24 months of age and their caregivers providing a safe place to bond and enhance cognitive, social, emotional, physical and creative development.

Tabletop Gaming Night: ①

Play and learn tabletop games such as Dungeons & Dragons, Magic: The Gathering and more. Enjoy tournaments and occasional mini-figurine painting workshops, too!

Teen Time: ①

Teens in grades 6–12 can explore a variety of fun activities including movies, arts & crafts and more as they participate in games, learn new skills and meet new friends.

Unplug and Play-Family Board Game Night: ①

Each month, the library will encourage families to disconnect from their devices, bond as a family and even make new friends playing board games together.

Spooktacular Stories & Sweets: ①

The McChord Library wants to see your Halloween costumes! Come in wearing your costume during the month of October and draw your creation for us. We will hang it up on our wall and give you a treat!
