| | Title | Behavioral Health Appointments for Service Members and Family Members | | mour | Houmen . 301 10, 2021 | | |
| | Scope | Access to behavioral health appointments can up to 30-45 days to initiate care (i.e., intake surveys and set-up for next appt.) for Service members and Family members to be seen for mental health issues not associated with suicide or Post-traumatic stress disorder (PTSD). This long wait time may escalate to more serious issues that could have been treated initially; instead of reactive behavioral health care to preventative behavioral health care. | | | | | |
| | Recommendation | Establish same day appointments for behavioral health concerns for Service members and Family members. | | | | | |
